

Burke Conservation Commission — meeting minutes (draft)

Present Cathie Wheeler, Hank Butler, Sue Leskin, Kevin Mack, Joan Harlowe

Absent Ric Prescott, Elise Lawson , Chris Manges

Pete's Pond

Elise and Sue have compiled lists of possible funding sources Hank will go to the Selectboard and explain that we have identified a number of possible sources if the town would accept ownership if we found the funds for purchase .

One possibility is the Orienne Society. Sue spoke with Kiley Briggs, a turtle expert with the Orienne Society.

Trout Unlimited: Clark Amidon says that probably on May 5 to 11 , trees and shrubs will be delivered. But May 1 to 8 is also possible. When the dates are clarified, we will ask schools to help with planting about 500 shrubs and 80-90 trees.

Greenup Day is May 4. Chris has the signs to put up.

Public Programs The spring program is on April 9th.. We each took a number of posters and will post them about a week or so before Kratzer's talk. Hank will notify the Caledonian. Joan will post on Front Porch Forum.

Respectfully submitted,
Joan Harlowe
