

By zoom - May 20, 6-7pm

Present: Elise Lawson, Ric Prescott, Cathie Wheeler, Kevin Mack, Chris Manges, Joan Harlowe

Minutes of April 2020 meeting approved

Public Programs will continue, but will be postponed until fall.

Emerald Ash Borer: Matt Clark will survey ash trees on Darling Hill Road from a drone on July 14-15. Burke Conservation Commission and any community volunteers will survey ash trees from the ground, around the same time. The findings (drone and on-the-ground surveys) can be compared.

Ash tree identification training; Matt Langlais will lead a training session for identifying ash on the ground. Training will be in lieu of a meeting on June 17.

Land for Sale; Langlais says there are 250 acres for sale in Burke, on the market for \$400,000.

There are also 102 acres for \$120,000.

Elise as forwarded to maps of both areas.

Greenup Day : May 30. Chris will put up signs and people can pick bags up at the Burke recycling center. Full bags can be left along the roadside.

Next meeting June 17, 2020 at 10am. Location to be determined for ash tree inventory training

Respectfully submitted,
Joan Harlowe
