

Hank will attend the Selectboard meeting on October 3 to check on the town water tank will be available.

Joan will contact the Caledonian to ask that a reporter be present.

**Dam removal and river cleaning.** Dam removal plans are in progress and will take place Friday Sept. 23 starting at 9:00 am, under the direction of the River Watershed Council. Joan has asked that the Caledonian document the commission's participation.

**Nature Trail.** Chris ascertained that all the posts and numbers are in place. Make sure there are brochures.

**Phragmites:** Katie Kain at F&W will check into returning to fill in the reeds weren't cut this spring.

**Scholarship:** Cathie gave an invoice to the Town Clerk to pay for the Stewardship Center out of Conservation Commission funds for the Outdoor Club's fall canoe trip.

Next meeting October 19.

Items for the next meeting:

The Vermont Association of Conservation Commissions announce  
Pursue the idea of a collaboration with the Clubhouse, with E  
Revisit the town forest — if/how to deal with it.

Respectfully submitted,

Joan Harlowe
